#### REPUBLICAN TICKET.

ELECTION TUESDAY, NOVEMBER 3, 1908  
For President:  
WILLIAM H. TAFT of Ohio.  
For Vice President:  
JAMES S. SHERMAN of New York.

LAST year was a record-breaker in the production of coal in this state. The total output was 4,274,325 tons, and yielded \$7,185,375.

WITH all due respect to the spell-binders, it is wheat-binders that the perspiring West is interested in just now.—Kansas City Journal.

WM. R. PAINTER of Carrollton democratic candidate for the nomination for Lieut. Governor was in town Saturday calling on the Democratic voters.

JUDGE EVANS remarks upon withdrawing from the race for the Democratic nomination for governor, leads one to suspect that he was not equal to a battle with booze, bums and bosses.

JUDGE WM. N. EVANS, the Folk candidate for the Democratic nomination for governor has withdrawn from the race. Mr. Evans is quoted as saying:

"I have positively quit the race for the Democratic nomination for governor. There are several reasons for my withdrawal. I find that the metropolitan press and the brewers have been systematically at work for some time to force the race between Cowherd and Ball, either of whom would be acceptable to them. In the city of St. Louis, Mr. Cowherd and Mr. Ball have some of the very best citizens supporting them, but the boss-rule politicians are divided, the Hawes element being for Cowherd and the Butler gang for Ball.

UNCLE JOE CANNON in his speech seconding the nomination of Jas. S. Sherman of New York for Vice President said:

first in population, first in agriculture, first in manufacturing, first in mineral wealth, has the first place upon the ticket. The great Empire State honors itself when it honors Jas. S. Sherman in presenting him to this convention. (Applause.) I believe with the great Middle West, recognizing the importance of the Empire State, recognizing the best interests of your party and of my party from every standpoint, not alone because he is from the state of New York, but because he is big enough, able enough, industrious enough, patriotic enough to fill the great office of the Vice Presidency; and if, in the chapter of happenings, which, God forbid, the President should be called upon to cross the river, measuring my words, there is no man of my acquaintance that I would sooner trust, from all the tests of good citizenship and ability, to worthily fill the first place instead of the second place in the Republic.

THE Boon County Citizen is the name of the new paper to be launched at Columbia on July 3rd. A. M. Parsons will be the Editor. Here's success to the "Citizen" and its Editor.

**SHERIFF GEORGE E. EARNST**  
In this issue of the TRIBUNE we are authorized to announce the candidacy of Sheriff George E. Earnst, for re-nomination. Mr. Earnst has made an efficient and popular sheriff. He has promptly and cheerfully fulfilled all the requirements of his position in a

satisfactory manner. He is personally popular with the citizens, both republicans and democrats, and is the Tribune thinks, entitled to a re-nomination and election. A public official who has given satisfaction to the people should be honored by a second term. Give Mr. Earnst your hearty support.

Please do not ask for credit at Eugene's after June 30.

#### An Issue of Men

However much inclined one may be to quarrel with the methods by which Mr. Taft was nominated, none can deny the high character and capacity of the man, nor his eminent practical qualifications for the presidency. Mr. Taft possesses an unusual combination of the judicial temperament with executive energy and ability. He is diplomatic and although identified with President Roosevelt exemplifies the antipode of his methods. He has none of Roosevelt's sensationalism, bullying tendencies nor revolutionary impulsiveness. He does not play to the galleries. He is sensible and conservative.

Few candidates for the Presidency have had such wide and varied experience in the practical work of government.

Mr. Taft stands upon a typical Republican platform—a platform which indicates the policy and work of the Roosevelt administration without offering any revolutionary measure to alienate the conservative element. It combines assurance to the interests which constitute the backbone of the Republican party and pleasant promises to the radical and reform elements.

It is clear that with Bryan the nominee of the Democratic party claiming as his own the policies which Taft represents, the campaign will resolve itself into a choice of men. Taft the conservative man of affairs, and Bryan the inexperienced, twice-defeated, magnetic orator, able but radical theorizer.—St. Louis Post-Dispatch, (Democratic.)

#### DOWNWARD COURSE

Fast Being Realized By Montgomery City People

A little backache at first. Daily increasing till the back is lame and weak. Urinary disorders quickly follow; Diabetes and finally Bright's disease.

This is the downward course of kidney ills.

Don't take this course.

D. A. Wilson living at the corner of Coal and Anderson sts., Mexico, says, "I am an endorser of Doan's Kidney Pills. I had my back hurt when I was fifteen years old and it has been more or less sensitive ever since. Recently it became unusually lame and every moment was a pang. My kidneys bothered me. I was compelled to rise many times during the night to urinate. There was pain in the back and top of my head, spots dancing before my eyes. I had tried numerous things but receiving no good from them, it occurred to me to get Doan's kidney pills that people were so highly recommending and I procured them from a drug store and they gave me positive relief at once.

Plenty more proof like this from Montgomery City people. Call at Crump & Kidwell's drug store and ask what customers report. For sale by all dealers. Price

50 cents. Foster—Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's and take no other.
